

# Dining on Campus

FSA has made adjustments to our dining operations in accordance with guidance from the Centers for Disease Control (CDC), and the New York State and Chautauqua County Health Departments to insure the safety of our customers and staff.

All dining locations will be open for the fall semester, with social distancing practices in place. Masks will be required when entering any locations, and must be worn while waiting in lines, and ordering. Masks may be removed when seated.

As circumstances surrounding COVID-19 are very fluid, please be sure to follow official university communications on the [Fredonia website](#). FSA will also provide updates on our social media channels, and serving hours may be found on our [website](#).

FSA would like to thank you for choosing to dine with us, and look forward to serving you!
